

St John the Apostle Parish

Adult Faith Formation

In search of faith and meaning!

God is both the source and the goal of all our searching and striving.

For anyone starting out on a journey of faith, God is the end of the road, the goal of the search. But God is also the starting point, because faith itself is a gift of God. It is possible to come to belief in God, and arrive at some knowledge of God, just by using our natural intelligence, our own natural powers of reasoning, however, there are times in our lives when we need education and formation to help deepen our understanding.

Rite of Christian Initiation of Adults [RCIA]

If you or someone you know might be interested in knowing more about the Catholic Faith we invite you to RCIA [Rite of Christian Initiation of Adults]. RCIA is a 6 months process of getting to know about/becoming a member of the Catholic faith. Any and all RCIA sessions are open to all parishioners to renew and deepen their understanding of our tradition and to meet potential new members of the community.
